

Helping to keep Aiden moving...

Why Aiden needs your help

Thank you for reading about fundraising for Aiden. Aiden is now 9 years old and has severe quadriplegic dystonic cerebral palsy and a wicked smile!

Car Adaptations

Because of Aiden's condition and size it is now very painful for him to be lifted in and out of a car seat every time he needs to go somewhere in the car, so he needs to travel in his power chair. This means having a Wheelchair Accessible Vehicle (WAV) that the chair can safely be locked down into for travel. The government provides a Motability Scheme that enables disabled people to exchange their Disability Living Allowance benefit to obtain a new car, but a one off payment is still required relative to the adaptations needed, and as Aiden's needs are so specific we need a large down payment before we can get a car for him to travel in.

How Corporate Sponsorship can help Aiden

There are 2 main ways your company can help.

1. By sponsoring the **one-off Advance Payment** for the new car that Aiden so badly needs your company can show and publicise its commitment to improving the quality of Aiden's life and keeping him moving.

Suitable models include but are not limited to

*One-off
Advance Payment*

Vauxhall Vivaro 2.0TD Sportive SL2700

£4k - £6k

Renault Grand Espace 2.0TD Dynamique TomTom

£8k - £10k

2. **Sponsor outright** the crash-tested **Docking System** that enables Aiden's Dragon Power Chair to be safely locked down for travel seated in an adapted vehicle

£1,150 **Price quoted valid for 3 months from July 2011*
